

General Assembly Meetings

Additional Information

Parking

Beginning at 5:30pm, our Welcoming Committee will have members posted at both entrances of Schneider Hall with parking passes, who will also be happy to escort you to the room. We advise you to pull up to either entrance to retrieve your parking pass before you park. Parking passes are good in any lot marked "R", one of which is on the west side of Schneider Hall. Click <http://wmich.edu/maps/> for an interactive map of campus.

Location

The event will be held in Room 1360 in the Haworth College of Business. Please refer to the link above for an interactive map of campus.

The Event

Our meeting will begin with dinner and networking from 6:00pm-7:00pm. Following this, we invite you to lead a professional development activity or participate in a community service event with the entire chapter for about an hour.

Presentation or Community Service Event

Learning about your organization is always beneficial to our students, but we ask that you also present on a topic that helps with the professional growth of our chapter participants. We ask that presenters focus on the interactive nature of their presentations – for example, using discussion groups or activities in lieu of more traditional lecture-style presentations. We appreciate your insight in choosing your own topic, or we can provide you with a topic from Beta Alpha Psi National or an idea specific to our Gamma Rho Chapter. Please specify your preference via the online registration form. Alternatively, this year we are making a strong effort to network with employers by also participating with them in volunteer activities during some of our meetings. If you would be willing to consider participating in a volunteer event with our members during the meeting, please also indicate this on the registration form.

Dress Code

Please specify on the registration form whether you prefer Beta Alpha Psi students to wear business casual or business professional attire for the event.
